Wednesday 15th Jan

Dear Ian,

Dad died Sunday 5th January in the place he knew surrounded by people who loved him. For this we thank the staff at The Firs for all their kindness. We will always be grateful.

I know Joyce has written to you but I felt I needed to express my heartfelt thanks for the outstanding care Dad and I received from all the staff on the night / morning Dad died but especially from Jess and Nikki, who were with me at the end. Both were extremely supportive, Jess in her calm and assuring manner and Nikki just held Dad's hand which was very comforting. You have an excellent staff

Best wishes

Carole Gauding

[Jim's daughter]

PS. We hope you find Dad's chairs and tables useful additions to the firs.
